## School of Religion Ministry Sign-Up

Our programs cannot continue to provide faith sharing opportunities for our families with children without the many volunteers who make it happen. But, we need much more help. Please consider signing up for one or more of the following volunteer opportunities. Most require only a little bit of time and minimal effort but would make a tremendous difference in our program. School of Religion Tuition discounts and waivers are available for our parents who volunteer on a regular basis.

Please check the area(s) in which you would be willing to help:
