

THIS is ICS

ELEMENTARY SCHOOL

www.theICS.org

SMALL CLASS SIZES

Our elementary school has a total of 337 students and 12 teachers. That means an 11:1 student to teacher ratio. Smaller classes allows for more individualized attention.

STREAM SCHOOL

ICS is a a STREAM School, focusing on Science, Technology, Religion, Engineering, Arts and Math. Elementary students have science class and computer class at least 150 minutes a week. This allows students to be more aware of how science and technology are in our lives each and every day.

FAITH FORMATION

Students receive daily religious instruction and attend weekly mass as a school community providing additional opportunities to learn the faith while participating in long-standing Catholic traditions.

PERFORMING ARTS

ICS offers a Performing Arts Program that begins in elementary school. Students can be part of the annual spring musical while building confidence on stage or behind the scenes.

SPORTS

ICS is part of the Immaculate Conception Athletic Association (ICAA) Sports Program. We begin soccer and basketball clinics at the Kindergarten level allowing students to develop their athletic skills and lay the foundation of for good sportsmanship.
