

# THIS is ICS PRE-KINDERGARTEN

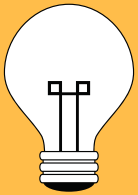

[www.theICS.org](http://www.theICS.org)

## OUR PRESCHOOL PHILOSOPHY

Our Preschool program fosters spiritual, physical, social, cognitive and emotional development which sets the foundation for students between 3 & 4 years of age.

## MAKERSPACE STREAM LAB

Our STREAM Lab is specifically designed for students in Pre-K through Grade 1 and helps them to understand concepts in Science, Technology, Religion, Engineering, Arts and Math. Activities enhance student literacy, fine motor, and critical thinking skills as they create, invent, build and problem solve.

## MDSE CERTIFIED TEACHERS

Classrooms are staffed by a MSDE certified teacher and a floating instructional assistant. All preschool staff participate in on-going training to keep abreast of current, best practices in early childhood education.

## MARYLAND EXCELS LEVEL 5 PROVIDER

Our Pre-K is the ONLY Level 5 Maryland Excels Certified Program in the Archdiocese of Baltimore. This recognition signifies the highest standard of quality care and education for your child by the Maryland Dept. of Education.

## PLAYTIME/SPECIAL AREA CLASSES

Students engage in movement and outdoor play in the mornings and afternoons on age appropriate equipment in an area designated for our youngest students. Special area classes include Spanish, Art, Music, and Physical Education. Students also have a quiet rest time in the afternoons.
